CCHLESWIG HOLSTEIN.—THE UNDERSIGNED HAVING been appointed a committee for the collection of a fund for the relief of the suffering Schleswig Holsteiners, appeal to the Germans of New York to interest themselves in the noble cause represented by them.

Our countrymen all over Germany are proving their sincere sympathy with the fate of the brave inhabitants of the German duchles in the most emphatic manner; but the suffering, especially among the late employee of the povernment, who have baid for their patriotism with the immediate loss of their income, is so great that every effering which the German heart may be prompted to give to the German cause will be needed, and such assistance is confidently expected also from the Germans of America.

Let us respond to this expectation, Germans of New York, and by ample gifts assure our suffering countrymen in the distant fatherland of our heartfelt sympathy with their struggle availant oppression and wrong.

The undersigned will be happy to receive your contributions.
